

Free Food

Everyone likes free food. The new owners of Chief Consolidated Mining Company invite all residents and any other interested parties to a Bar-B-Que on Feb. 2nd from Noon to Three PM at the Eureka Elementary School Lunchroom. They would like to get to know the citizens of Eureka and understand their wants and wishes for the future.

While they understand that most residents want jobs and some growth so that as our kids start lives of their own they can have the choice of living and raising their kids in Eureka. Also, without some growth, the future of schools in Eureka is in serious question.

Do you have other interests, desires or ideas about the future of our great community? This is your chance to have your voice heard.
