

Annual Conflict of Interest Disclosure Form

The following disclosures are required to be made annually by all elected and appointed officials of Eureka City Corporation pursuant to Municipal Officers' and Employees' Ethics Act, Utah Code §§ 10-3-1306, 1307, and 1308 and Eureka City's Personnel Policies and Procedures Manual.

If additional space is needed, please use a separate sheet of paper. Per statute, the information provided shall be kept on file with the Eureka City Recorder and may be subject to disclosure to the public.

I, Travis Clark Haynes am the duly elected/appointed
Eureka City Council of Eureka City Corporation.

1. I am an officer, director, agent, employee or owner of a substantial interest in the following business entities which are subject to the regulation of Eureka City Corporation, and within such business entities, I hold the following positions:

Business Entity Name:

Position within Business Entity:

Ownership of a substantial interest is defined in U.C.A. 10-3-1303(10) as an interest of 10% or more of the shares of a corporation, or a 10% or more ownership interest in other entities, legally or equitably held or owned by the officer, the officer's spouse, or the officer's children.

*Note: There is no case law or statutory guidance as to what constitutes a business entity "subject to regulation of the municipality." A business which is simply issued a business license by the municipality may or may not be deemed by a court, administrative agency, an auditor, or member of the public to be an entity regulated by the municipality. Businesses regulated by interlocal agencies of which the municipality is a member may or may not be deemed to be a business regulated by the municipality (i.e., a restaurant subject to regulations imposed by an interlocal agency).

A business entity which requires a conditional use permit to operate may more likely be deemed to be a business entity regulated by Eureka City than a business that simply receives a business license from Eureka City.

2. I am an officer, director, agent, employee or owner of a substantial interest in the following business entities which do business with or anticipate doing business with Eureka City:

Business Entity Name:

Position within Business Entity:

Utah Department of Transportation - Eureka Station Supervisor

Please note: Pursuant to U.C.A. §10-3-1307, an officer must disclose his or her interest or involvement in such an entity immediately prior to any discussion in an open and public meeting pertaining to business that the Eureka City may do with any such entity, regardless of whether a disclosure of interest or involvement in the business was made in this document.

3. In accordance with U.C.A. § 10-3-1308, the following personal interests or investments of mine create a potential or actual conflict between my personal interest and my public duties:

*** OPTIONAL DISCLOSURES ***

4. The following disclosures of other business interests, investments, and other matters are not required to be made by law, but are made with the intent to more fully disclose other interests that may be deemed relevant to the administration of public duties, or in furtherance of my intent to provide a more complete disclosure of my economic or personal activities, or for other reasons:

Eureka City has done business with Haynes Excavating. I am the son of the owner but I have no business interest.
