2024 Tintic Silver Jubilee Grand Marshal's Greg & Paula Evans

Paula Meredith Evans grew up in West Mountain and graduated from Payson High school. As a kid she moved sprinklers, hauled hay and sometimes helped feed cows. She spent lots of time doing family things like camping, boating and traveling. During her senior year she became "famous" as an extra in the movie Footloose that was filmed at Payson High School. After graduation she attended college in Rexburg, Idaho and then moved on to BYU in Provo. After graduating from the university she taught school in Wendover for three years.

She was offered a job by Fred Openshaw and moved to Eureka to be the new English teacher. Tintic High School became more than just a teaching job - it became a major part of her life. She has taught English, reading, psychology, geography, geometry, German, sewing, creative writing, financial literacy, yearbook, student government, and many more. Seeing students succeed has always brought joy to her.

Greg is a life-long Eureka resident who spent lots of time as a kid taking care of the older folks by doing yard work or other odd jobs. He attended Eureka Elementary and Tintic High School. He participated in many extra curricular activities, student government roles and sports. He has fond memories of working for the district. He loved being with his dad during the construction of Tintic High School and Eureka Elementary. After graduation he also spent time working on the farm milking cows, moving sprinklers, shaking cherries and driving tractors. He attended UVU and graduated with a degree in drafting and design. He has worked for R B & G Engineering, WW Clyde and Co, and Ralph L. Wadworth. He has worked at Wheeler Machinery and SITECH Intermountain in Salt Lake City for the last 18 years.

Paula and Greg met in Eureka, and they were married in 1994. They built a home in Eureka and have never considered moving. They are the parents of two boys: Zane (Brooklyn) Evans and Curtis (Kiona) Evans and two awesome grandkids: Nora and Owen Evans, with one more on the way

Paula spent the majority of her career teaching school at Tintic High School. She recently retired from the district as a teacher after a 37 year career. She has loved the students in her classroom and is thrilled watching former students succeed. Tintic High School will always have a part of her heart even if she is not going to school each morning.

Paula and Greg love to spend time with their kids and family. They like to spend time at the family cabin in Scofield. They enjoy traveling and just recently spent a week together with their kids on a cruise to Mexico. Paula loves attending the Utah Shakespeare Festival in Cedar City and Greg experiences some culture at the Festival. Paula and Greg have been season ticket holders for many, many years to BYU football games and BYU basketball games, but they love attending all sporting events. They like to cheer their boys on as they participate in triathlons, bike races or running races. They like to cheer Nora on as she plays soccer or dances. They love spending time on their wakeboard boat with their kids and grandkids. They love family dinners together, sleepovers with the grandkids, cheering their children on as they progress and succeed. They enjoy working in their yard together and doing home remodel projects in their house. They are grateful to live in Eureka where they are close to Greg's father and not too far away from their children and grandkids. Eureka has a special place in their hearts. They are honored to be the Grand Marshals of the 2024 Tintic Silver Jubilee.

OBITUARIES

Carol Jean Smart Dean

March 6, 1941 ~ July 14, 2024

Carol Jean Smart Dixon Dean, 93 died July 14, 2024, peacefully in her home from pancreatic cancer.

Carol was born on March 6, 1931 to Lynn and Lula Pollock Smart. In 1950 she married Noel Gould Dixon and they had four children, Denne, Kent, Bonne, and Gus. Carol and Noel later divorced.

As a child raised during the depression and WW2, she never forgot the lessons of hard work and saving money. She spent her early youth being raised at various places including Vivian Park in Provo Canyon as the family followed their father on construction jobs.

Carol graduated from Spanish Fork High. She began work at an early age and worked at the Movie Theatre while in high school. She worked several jobs; Circle V Meats, The Body Shop where she loved going to market to purchase the latest fashion in Salt Lake, Geneva Steel, and many more.

In 1979 Carol met Jerald Dean and they were married on March 6, 1979. With Jerry's son Dave and daughters Joan, Jodi and Julie we all became one big family. Carol and Jerald were sealed in the Provo temple on March 25, 2011.

Carol and Jerry spent many years at Fish Lake where they lived each summer. They loved Bowery Haven and would socialize and celebrate when Jerry would win the "biggest catch of the day".

She was an accomplished crafter. She was an expert knitter, crocheter, painter, candy maker and wood crafter. She could do it all. She was an amazing cook and would always have food ready whenever family stopped by.

Carol always had a smile on her face and was faithful to the end with a strong testimony of Jesus Christ. Her favorite show was "The Chosen". She loved to read scriptures daily and always attended church.

The family would like to thank Dr. Rasmussen and Juab County Hospice (CVMC) and her sweet nurse, Julieanne.

Carol is survived by her children Denne (Mike) Bosco, Kent (Julie) Dixon, Bonne (Mike) LaCario, Gus (Wanda) Dixon, Jodi (Fred) Evans and Julie (Nick) Castleton. Her dear friend Sherlin Grill and several grandchildren and great-grandchildren who will miss her dearly. We all loved her so very much!

Preceded in death by Jerald Dean, Noel Dixon, Dave Dean, Joan Cingaloni, her parents Lynn and Lula Smart, in-laws Gould (Madoline) Dixon, mother-in-law Cinda Dean and a granddaughter Cassandra Dixon.

Per her wishes a private family service will be held Wednesday at Brown Family Mortuary in Santaquin. Burial in Beaver, Utah cemetery to be laid to rest next to her husband Jerald Dean.

A Celebration of Life will be held Saturday, July 20, 2024 at 11:00 am in the Eureka LDS Ward cultural hall, 70 W. Main, Eureka, Utah where friends and loved ones can gather to speak of Carol and the memories they have of her.
