VOLUME 9, ISSUE 2

FEBRUARY 2017

This picture was taken from the Eureka Reporter Issue Thursday April 6, 2006 with the following caption below it.

Army Maj. Gen. Stanley McChrystal, who is line to receive a third star from President Bush came from the McChrystal family in Eureka. This photo shows the old John McChrystal General Merchandise store in Eureka. Noah McChrystal is standing fifth from right in the picture. He was the son of John McChrystal. The photo was taken in 1888.

These two photos are of my Grandparent's store in Eureka. Not sure of the date but I would guess about 1902, assuming that my Dad is 5 years old in the picture taken inside of the store. The interior store picture includes my Grandfather, Manfred (Fred) Burson, my Grandmother Maude Burson, and my Dad, Manfred (Art) Burson. Submitted by Fred Burson

TINTIC HISTORICAL SOCIETY IS ASKING FOR VOLUNTEERS TO BE MUSEUM GUIDES THIS YEAR! Beginning in April

We want to keep the museum open to the visitors and tourist that come to our city. We will train guides and schedule guides to cover the busy weekend as well as be on call when visitors or tourist come by appointment.

This would be a very good opportunity for High School students to serve the community and get experience that can be used on job resume and university applications.

Anyone interested in the history of Tintic Mining District or learning more about it to share with visitors will find this a rewarding way to help share the unique area we live in with others and let them appreciate the rich history of mining that is here.

OBITUARIES

William Angus "Bill" McDonell 1926 – 2016

On Saturday, December 31, 2016, the earth exchanged its sorrow in losing William Angus McDonell with heaven's joy and happiness in the reunion of him and his beloved wife, Joyce.

Bill was born to Sarah Ann Waters and Ronald Angus McDonell on July 13, 1926 in Eureka, Utah - a town that he loved and referred to as "the garden spot of the west". He grew up during difficult and trying times of great poverty, but went on to study at the University of Utah and to earn BS and MBA degrees from California State University Long Beach. He was an entrepreneur who formed and presided over several successful companies, and in his retirement years he served in fundraising positions for the Long Beach YMCA and Heritage Schools of Provo, Utah. He was a faithful and devout member of the Church of Jesus Christ of Latter-Day Saints, serving the church in numerous callings, including as Bishop of the Long Beach 10th Ward from 1969 to 1974.

On June 24, 1947, Bill married the girl of his dreams, Joyce Rife, also a native of Eureka. They lived in Utah and Idaho, where their first daughter was born, then moved to Long Beach, California in the late 1950's where they were blessed with four more children. Bill and Joyce solemnized their marriage in the Los Angeles LDS Temple on February 22, 1962. In July of 2007, Bill's heart was broken when Joyce passed away, and he lived the past nine years in the homes and company of his children, looking forward to his reunion with Joyce.

Bill was preceded in death by his oldest daughter, Karen Lynne Seamons. He is survived by Michele Ann King (David), Wm Scott McDonell (Mary), Kelly Joyce DeSchepper (David), and Matthew Todd McDonell (Rachelle). He is also survived by 23 grandchildren, 24 great-grandchildren and 11 grandchildren-in-law, all of whom will dearly miss their Papa Bill and Grandpa Bill.

Funeral services were held, Saturday, January 7, 2017 at The Church of Jesus Christ of Latter-Day Saints Long Beach California 10th Ward Chapel, with interment on Saturday, January 14, 2017 at Evergreen Cemetery in Springville, Utah, where Bill was laid to rest beside his eternal wife, Joyce. Friends of Bill are welcome to call his son, Scott, at 562-343-3436 for further information or to express condolences.

He whittled and was always making things from wood and metal that are displayed throughout the Thompson home and yard. He was a practical joker and loved making people laugh with his funny stories. Phil was a Miner for almost 40 years; 20 years of his mining career was spent in the mines around Eureka. He liked mining and collected many crystal and ore specimens.
