LETTER FROM THE MAYOR

From the Mayor

I hope you're staying warm and cozy this winter.

I've had a question come up several times recently, so I wanted to take a moment to address it.

What's happening to the Memorial Building?

Great question! Here's the update:

It all started with the need to replace the furnace, then needing to replace the water heater. Now, we're also making updates to the electrical system.

- ◆ The furnace has been replaced.
- ◆ A new water heater is installed.
- ◆ The electrical upgrades are coming soon.

With all these improvements, the Memorial Building will soon be back up and running! A big thank you to the Memorial Building Fund, the Senior Citizens, and all who have contributed to the Memorial fund over the years. Your contributions have added up to over \$1,200. Your generosity is truly making a difference!

What's happening near the Shea Building?

You may have noticed some small flags on the snow near the Shea Building, as well as markings on the sidewalk. We're in the process of repairing a water meter setter located there.

These are just a few of the things your City Council and I are working on to keep our city running smoothly. We appreciate your support as we continue to make improvements.

Thank you all for helping to make "Eureka Together" stronger than ever!

Warm regards,
Mayor Dever
