# YOUNG AT HEART SENIORS

## SENIORS IN MAY

Our early bird on May 6th meeting was the podiatrist. Doctor Moss, who checked problem feet for those who needed it! He brought us a recliner to comfy for that. Thank you Dr. Moss.

President Serena Neese welcomed all, led us in the "Pledge of Allegiance," and "God Bless America." We sang "Happy Birthday" to Dick Hallsey even though he was back east on an archaeological dig!

After our smorgy potluck was our business meeting. A). We are invited to the dedication and open house for the new facility at Tintic High School on Monday, May 18 from 5-8 p.m. B). Our brave new van driver, Marla Coons, will pick us up on May 16 at 8:15 a.m. across from the Memorial Building to attend the Health Fair at Central Valley Medical Center in Nephi. Some may need to come fasting. C). Remember those on the sick list: Joan Morris, Sarah Barlow, and Dorothy Allinson. D). In case our movie set excursion date doesn't get confirmed for may 20, we'll arrange for a catered dinner here in our building. E). Those planning on the movie set trip, please meet across from our building at 10:15 a.m. on May 20. After the tour, we'll do lunch at Brumby's in Santaquin.

We finished the meeting with some funny senior stories by Betty Cones.

MAY 20: Eureka! We did the movie set and lunch at Brumby's! It was all great! Marla drove the van!

That's all folks until our annual picnic in the park in August.

## OBITUARIES

### **Bruce Don Rusby**

1951~2015

Bruce Don Rusby lost his battle with cancer on April 27, 2015. He died peacefully at his home in Pittsburgh, PA. In preparation for his journey, Bruce asked his wife of 10 years for a \$5 bill, his jacket and the king size bed. He

loved that bed. Bruce was 63-years old.

At his request, no service will be held.

Bruce is survived by his wife, Jeannette Cooke-Rusby of Pittsburgh, PA; his sons, Jared (Jen) of Sundance, UT and Terry (Monteria) of Provo, UT; his stepchildren, Jenna Casteel Blake and Evan Casteel both of WV and five grandchildren.

Born September 3, 1951 in Payson, UT,

Bruce grew up in the small mining community of Mammoth, UT. He enjoyed exploring the abandoned mines, sparking his interest at an early age in the drilling and mining industry where he would later work for over three decades. He would terrorize his cousin, Bonita who he would place on the back of his dirt bike and hit every bump and whoop he could find all while laughing hysterically.

Upon graduation from Tintic High School, Bruce married his first wife, Carol and (appropriate time elapsed) welcomed their two sons. They settled in the big city of Eureka, UT (population 766) where sagebrush outnumber residents. On Sundays, he would take the boys to Grandma Rusbys where they would congregate with family and enjoy the ever-elusive recipe (please email) of breakfast roll-ups.

Bruce would later relocate to Pittsburgh, PA where he would remain and married his current wife, Jeanette.

He served as Executive Vice President of Operations with Target Drilling, Inc. for the last 18 years. His vocation took him to locations around the world, but he was most comfortable at home (in his king-size bed) and surrounded by loved ones.

Generous to a fault and never expecting anything in return, Bruce once graciously treated the entire family and extended family to a Disney World vacation. He was kind and gentle, a bear of a man with

the heart of an Angel. He was quick to laugh and loved watching slapstick comedy. He had an unorthodox golf swing (Charles Barkley) but enjoyed playing the game when his time would allow.

His love of bikes extended into his golden years, when he achieved his lifelong dream of owning a Harley. Bruce was a member of the Firebirds Motorcycle Club and The Benevolent and Protective Order of Elks.

Bruce also leaves behind his beloved sister, Diana Jones (Wayne), his favorite niece and nephew (he only had one of each!) and numerous cousins. He is preceded in death by his parents Don A. and Dorathy J. Spencer Rusby of Milan, NM and brother Terry who died in infancy.

Bruce was always first to respond with an I love you and last to hang up the phone. He was interested in what you had to say and how you were feeling, even as he was losing his life. Well, Bruce, we love you too and will hold you in our hearts always.

The family would like to thank Vitas Hospice and Palliative Care for all of their support and assistance. Condolences to the family may be sent to [jrusby@mac.com](mailto:jrusby@mac.com). Donations in lieu of flowers may be made to NE Boston Terrier Rescue or Guardian Angles Pug Rescue.

### **James Francis Considine** "Cons"

January 30, 1951 – May 5, 2015

James F. Considine passed away peacefully at home while enjoying his daily morning newspaper with his beloved Weimaraner dogs Gracy and Murphy. James

was born in McKeesport, Pa on January 30, 1951 to William Joseph Considine and Rosemary Ganley Considine. James is an alumni and proud supporter of Penn State University where he received a Masters Certificate in Labor Relations and Employee Relations. James was a union organizer and served as President of Utah's Central Federation of Labor and also an executive board member of the AFL-CIO of Utah. James was a politician serving in both the Utah

House of Representatives and the Utah State Senate. James became the Labor Relations Director for the Salt Lake City Corporation and eventually took the labor relations position for the Fire Department. His involvement in the Salt Lake City Fire Department gave him lots of great memories and created several friendships that he cherished.

James married Lynette Tamaye Endo in 1981. His admiration, love and compassion for Lynette kept them together and their bond will always be in place. James is survived by his wife Lynette Tamaye, sons; Rodney Ramirez (DeAna), Ryan Ramirez (Shelia), brothers; Bill Considine, Gary Considine (Rita), niece; Emma Considine, grandchildren; Morgan, Nick, Braxten and Payden Ramirez.

Although James was not a full time resident of Eureka, through his wife Lynette he enjoyed his second home in the Great City of Eureka.

**Carole Ann Castleton**

Heaven received a new Angel on Saturday, May 30, 2015, as Carole Ann Castleton returned to her loved ones. Carole was born on February 2, 1944 to Norman and Ethel Fletcher Larsen in Spanish Fork, UT. She married Nick Castleton on August 9,

1968 in the Manti Temple; they were later divorced.

She impacted many lives through service; teaching, volunteering at the Tintic Schools, and a volunteer as an EMT for the Eureka ambulance services for 20+ years. She also held many BPOE and LOE positions with the Tintic Elks Lodge. In 2004, after 20 years of dedicated service she retired from the United States Government Service at Dugway Proving Ground.

Some of her favorite hobbies and activities were participating in the annual Eureka Hee Haw performance, singing with the Sage Hens, quilting with her friends, researching genealogy, playing piano, and traveling the world. She was also a huge sports enthusiast, cheering for the Green Bay Packers, New York Yankees, Utah Jazz, and BYU Cougars.

Carole is survived by her children; JaNeel (Bruce) Nielsen, Patrick (Brandy) Castleton, Michael (Martha) Castleton and Mary Ellen (Michael) Merritt and her brother James (Peggy) Larsen. Her legacy includes her nine grandchildren. Preceded in death by daughter Kathryn, parents and brother Norman Larsen.

A special thank you to the staff at Beehive Homes of Lehi they were remarkable in their care for Carole. The family would like to express their gratitude to Jordan of Access Hospice and Samantha of Mountainland Association of Governments for their dedication and compassion. In lieu of flowers the family suggests that a donation be made to Alzheimer's research at [alz.org/utah](http://alz.org/utah).

A wake will be held in her honor to celebrate the life of Carole at the Tintic Elks Lodge in Eureka, Utah on June 13, 2015 at four o'clock. Always the educator and mentor she requested that her body be donated to the University of Utah for research.
