LETTER FROM THE MAYOR

Hello Eureka!

Another month has flown by, and what a wonderful one it's been for our town! I'm excited to share some of the good things happening here.

Do any of you remember the classic tune from *The Music Man*? You know the one — the boy's excitement about the Wells Fargo wagon rolling into town with deliveries just for him. Well, let's put that same tune to this:

“Oh, oh, the book-mobile is coming down the street...
I know it's bringing something very special, and it's bringing it just for me!”

I can't promise you a Wells Fargo wagon, but the **BOOKMOBILE** is back, ready to bring some fantastic reading materials right to our town! A huge thank you to the School District for joining forces with the city to make this happen. It is a great example of our community working together to bring something wonderful to everyone.

While the dates and times aren't set yet, we'll keep you posted so you'll know when to expect it.

At our most recent City Council meeting, we celebrated Madaleigh Grimstead, who earned 1st Place in the State Girls' Wrestling Championships! Huge congratulations to Madaleigh — and to all our incredible high school students who continue to represent Eureka with pride. Whether it's in sports, arts, or academics, their dedication and passion inspire us all to do our best. They remind us that hard work truly pays off.

Also, here's some exciting news for Main Street! **Old Glory** will once again be proudly displayed with a beautiful new light that will shine on her every night, a tribute to our nation's flag and the values it represents.

The Memorial Building has received some recent updates, and I'm happy to report that the work is now complete. We'll continue to improve and maintain this great historic building.

Your City Council: Jeremy Snell, Tom Nedreberg, Travis Haynes, Scott Pugh, and Greg Evans continue to work hard on your behalf, striving to keep Eureka a wonderful place to live.

As always, remember: **“Eureka Together” is stronger than ever!**

Warm regards,
Mayor Dever

The Juab County Commission receives an annual cash allotment from the State of Utah that is to be used for local economic development projects. Municipalities, businesses, and non-profits may apply. The money is to be used to assist entities in making capital improvements, building infrastructure and employee training. Grant amounts must be between \$50,000-\$200,000. A minimum match of 30% will be required of the recipient and the money will be distributed **post-performance**. Paul Floyd Gourley ***May 28, 1940 ~ February 17, 2025***

Paul Floyd Gourley, age 84, of [Grantsville, UT](#), passed away peacefully on February 17, 2025.

Paul was born in Provo, UT, on May 28, 1940, to Floyd (Bub) and Cecelia Gourley.

Paul was raised in Eureka, UT, and a proud graduate of Tintic High School. He married Linda Farren, and they had two children, Ronald and Loree. As a family, they hunted and fished, and took a family vacation almost every summer. They visited many different and beautiful places, and always had the best time. Paul and Linda were known for their dancing, and taught both Ronnie and Loree at a young age. We always had so much fun. Christmas Day was always reserved for family. We loved being together and playing games. Paul and Linda later divorced.

Paul later married Charlotte Weyland. They spent many years together enjoying golfing, trap shooting, camping, fishing, and traveling.

Paul began his early career in the Air Force. He later worked at the Dragon Mine, and then went to work at Dugway as a Material Test Operator, where he spent the rest of his career, until retiring.

Paul loved going to Wendover and playing the slot machines. He always won, usually at the first machine he sat down at.

Paul was a proud member of the US Air Force. If you saw him, he was most likely wearing an Air Force ball cap. He was also a proud lifetime member of the Tintic Elks Lodge #711, where he served many different positions, including Exalted Ruler.

Paul is survived by his son Ronald Gourley, his daughter Loree Brockman, and many grandchildren and great grandchildren, and his faithful, furry companion, his dog Lucky. He was preceded in death by his parents, Bub and Cecelia Gourley, his brother Lynn Gourley, and his wife Charlotte.

The family would like to extend their sincere thanks, and heartfelt gratitude, to everyone at Harmony Health Care in Tooele, who took such extraordinary care of dad for the past five years. It was so nice knowing that such caring people came to his house every day, to make sure he showered, took his pills, ate breakfast, and a host of other things. A special thank you to Shu-Chen and Heather. Dad loved you both, and you have become like family. We would never have been able to get through this process without your caring and assistance.

A Celebration of Life will be held at the Tintic Elks Lodge #711, in Eureka, UT, on Friday, February 28th, at 12:00 PM. A graveside service, with military honors, will be held later in the spring, at the Grantsville City Cemetery. The family respectfully requests, that if you wish to send fresh flowers, please wait until the graveside service to do so. Details on the graveside service will be provided at a later date.
