HOME DELIVERY

Our most popular service, these boxes offer a well-rounded variety of fresh fruit and vegetables.

Our buyers select the best tasting and most unique fruit in each region. Our quality-control process ensures that you get only the best—crisp, delicious apples and pears, sweet bananas, succulent oranges, plus seasonal favorites such as berries, peaches, and grapes. When fruit arrives at our barn, sometimes just hours from the field, it's carefully inspected—and tasted!—to meet our exacting standards.

Then we hand-pack your order and inspect each piece of fruit for quality and ripeness.
