

**EUREKA CITY COUNCIL  
PUBLIC HEARING  
JANUARY 27, 2025 6:00 P.M.**

Eureka City Council will hold a public hearing on Monday, January 27, 2025 at 6:00 p.m. at the Eureka City Office, 15 North church Street, Eureka, Utah 84628.

The purpose of the hearing is to receive public comment on a proposed application to the CIB Board for a Road Master Plan and Pavement Analysis.

**ROLL CALL**

Mayor – Toni Dever  
Council Member – Greg Evans  
Council Member – Travis Haynes  
Council Member – Tom Nedreberg  
Council Member – Scott Pugh  
Council Member – Jeremy Snell  
City Recorder – Patricia Bigler  
City Attorney – Todd Godfrey via Zoom

**OTHERS IN ATTENDANCE**

Shay Morrison – R6

Mayor Dever opened the meeting by reading the Public Hearing notice. She turned the time over to Shay to explain the process.

Shay said Jones & DeMille’s proposal came up with a cost of \$67,000. CIB will pay half of that amount and Eureka City’s portion of the project will be \$33,500. The city wants to do a Roads Master Plan with some road pavement analysis. If the match is too much the city could work with Jones & DeMille to lower the scope of work. No comments were made, however; the Council and Shay discussed the project further.

The deadline for submission is Feb 3<sup>rd</sup>. The Mayor and Council need to review the application and then submit it. Council Member Evans asked if we could use B & C Road monies. Shay said he researched this option and in his opinion we could not use it. The Master Plan should be updated every five to ten years. Council Member Evans talked about how the software program works. Using an iPhone and driving slowly along the road the program takes a picture every ten feet. It can even pick up the bumps in the road. We can review what each road looks like and the condition of it. The Council likes the idea of having this information. They discussed the option of having Jones & DeMille show them how to run the software and do it themselves to help bring the cost down. They discussed an option if we do not get the funding or cannot come up with the matching funds. The Safe Route to School is currently open and closes on May 23<sup>rd</sup>. Council Member Haynes said he tried to go for this grant before but couldn’t get a contractor to come up to give a bid. There is a workshop you must attend. It is in Orem on April 16<sup>th</sup> at 10:00

am or you can attend virtually. Council Member Haynes would like to try and put in for it. Shay or someone in his office can help with the application.

**ADJOURNMENT**

Council Member Nedreberg made a motion to close the Public Hearing. Council Member Haynes seconded. The Public Hearing was closed at 6:30 pm.
