**Job Vacancy Discussion**

Mayor Dever started off by thanking Drew for his service to the city and wished him luck in his new endeavor. He wanted to add Code Enforcement Officer to the job description. He wants it clear that the employee would need to physically handle and deal with animals. He talked to Joe about this, and we need to amend the job description he signed to add Code Enforcement Officer and have him sign it again. He asked if there was anything else we needed to add to the job description. No one had anything else to add. Council Member Haynes wants to open the job ASAP. Council Member Trepanier asked why we can't just pick out of those that already applied the first time. There were a couple of Council Members who believed we had to open the job again because it was for a different position. If an applicant who applied the first time wanted to apply again all they needed to do was let the city know. There was discussion on when to open the position and for how long. It was decided to open it tomorrow and close on March 3<sup>rd</sup>. Council Member Nedreberg made a motion to post the position tomorrow and close on March 3<sup>rd</sup> and to add the additional wordage that was agreed upon. Council Member Evans seconded. No further discussion all in favor motion carried.

**EXECUTIVE SESSION**

Council Member Nedreberg made a motion move into executive session for compliance issues. Council Member Snell seconded. No discussion all in favor motion carried 7:17 pm

**ADJOURNMENT**
