## Parade Guidelines

We are asking all parades participants as well as bystanders watching the parade to use caution and follow the guidelines set forth during our event to make it a fun, yet safe, event for everyone.

### Parade Participants:

Please **DO NOT** throw candy or other items from your vehicle during the parade!

Plan ahead, and try and have people representing your entry, walking down the sides of the road/sidewalk to hand candy or items out to the people watching the parade.

Have them carry the candy or items in a large enough sack or bag so they do not have to refill. Some suggestions would be to us a large duffle bag or backpack, have them pull a wagon, push some sort of cart, etc.

If they absolutely must refill from a vehicle involved in the parade, the people walking must signal the driver to stop, wait for the vehicle to come to a complete stop before they approach the vehicle, refill, then when they are back away from the vehicle, signal the driver to continue. Always stay within the driver's eyesight.

### For Those Watching the Parade:

Adults and Children - Please stay on the sidewalk and the edge of the street, **DO NOT** enter street at any time.

Please watch your children, do not let them run into the street during the parade! There is usually plenty of candy or items, that everyone will get their share.

**Thank you all for your cooperation, we look forward to having a fun-filled, successful event.**
